

Memories of Scarborough

The BADS stand – for advice, information and our many useful publications and perhaps hokey cokey lessons?

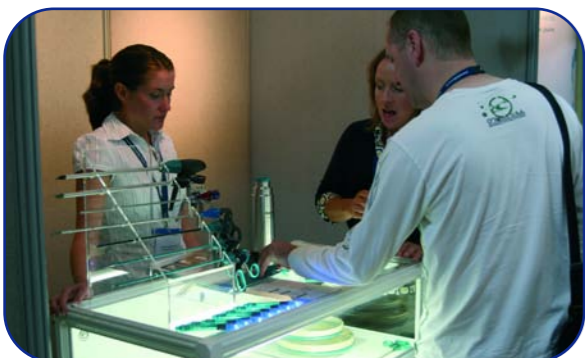

Just a small part of the extensive trade exhibition

Over 40 different stands to browse

The perfect opportunity for the team to evaluate products

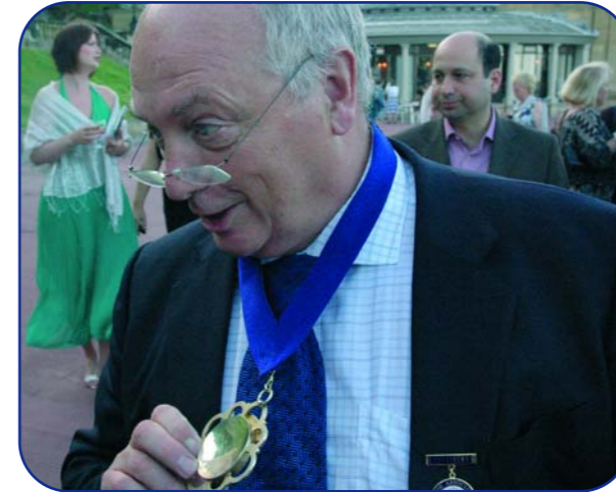

Plenty of new equipment to examine

Excellent Summer weather meant that the drinks reception could be held outside

The ideal chance to have a go yourself

The incoming President shows off his badge of office

The annual dinner is a chance to pick the brains of experts

Relaxing with friends and colleagues after a long day

Plenty of entertainment to enjoy on the dance floor

Presidents current, past and elect enjoy themselves on the dance floor
